

Summer Snaps

We are delighted to continue our Virtual Visiting Gardens
Merrilyn Bardes' garden is featured in our very first
edition of "*Summer Snaps*"

Merrilyn, we love you for always saying "yes" with a smile.
Thank you for allowing us to photograph your garden
multiple times for us to figure out our format.

Christine & Carrie

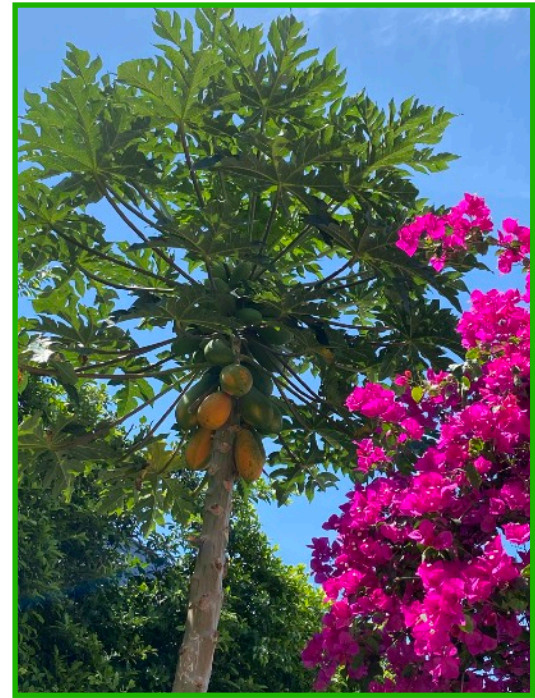

Wylene Commander propagated this pandanus for Merrilyn from her prize-winning entry to our flower show one year. Merrilyn had it in her garden in the Estate Section. When she moved to Casa Bendita, the tree got moved too.

A gift from Alison Sieving

Remember this variegated fishtail? Merrillyn took her granddaughters to the Mounts' plant sale a few years ago. The girls picked the tree, at the time, knee high. It has grown so big that Merrillyn had moved to this current spot earlier this year.
