

Summer Snaps

We are thrilled to present you
Our Grand Finale
Virtual Visiting Gardens Summer Snaps Tenth Edition

Thank you, **Melinda Hassen**,
for transporting us to the gorgeous Napa Valley

Enjoy!
Christine & Carrie

Melinda writes: “67 thousand acres in Napa area were burned. Homes, hotels, restaurants, landmarks and 31 wineries were destroyed. Because of the water within the trunks of the vines, they acted as a buffer to buildings around them. The white grapes were ripe and had already been harvested. The cabernet grapes were ruined. The fire lasted 23 days.”
