

# *Summer Snaps*

Dear members,

By popular demand, we will continue our Virtual Visiting Gardens Summer Snaps this summer.

Dolina Frease, Carrie Murray and Christine Aylward welcome pictures from you, may they be from your own gardens, others' gardens or parks or from your travels. We LOVE sharing your pictures with all of our members.

May you all have a happy, healthy and picture perfect summer!

GCA 2022 Annual Meeting in Parsippany, New Jersey  
By Christine Aylward

Gardens offered on the tour for the Annual Meeting participants

In Botanical Arts, our Christina Kramer won big with her lion fish entry.

Merrill Debbs took these pictures of roses and koi fish at The Huntington Botanical Gardens, CA
