

Summer Snaps

*In this edition, we present you photographs
Polly Reed took at Sarah Benitz's garden,
Annette Dowell's ducklings and mama mallard
that PB police officer Mulham united,
a Northern Garden and
Vickie Denton from FL and New York.*

Thank you, Polly, Annette and Vickie!

Enjoy!

Polly Reed took those pictures of Sarah Benitz's garden

Polly writes: “I think the GC should organize informal visits to members gardens. It would inspire people to see gardens that are mostly taken care of by the owners ...”

Our Visiting Gardens Committee is planning visits this coming season. Please let Dolina and Christine know if you would like to offer your gardens for a visit. We are looking forward to a fun season ahead.

Polly writes: “Sarah Benitz’s night blooming cereus. So jealous! “

Annette Dowell

Annette writes: “ Kudos to Palm Beach Police Dept. Officer Donny Mulham! After I was unsuccessful in trying to rescue 5 wayward ducklings from our swimming pool, Officer Mulham saved the day and was able to retrieve all 5 from the pool and reunite them with their distressed Mallard mama and all waddled off together!

Thank you to Officer Mulham and the dedicated and always helpful Palm Beach Police Dept. !”

Polly Reed sent the following photographs of a northern vegetable and perennial garden of her friend Cecily Grand. Cecily is a member of the Bedford Garden Club.
