

Summer Snaps

*In this edition, we present you with
Joanie Van der Grift's
beautiful photographs and descriptions of
Abby Aldridge Rockefeller Garden
in Seal Harbor, Maine*

Thank you, Joanie!

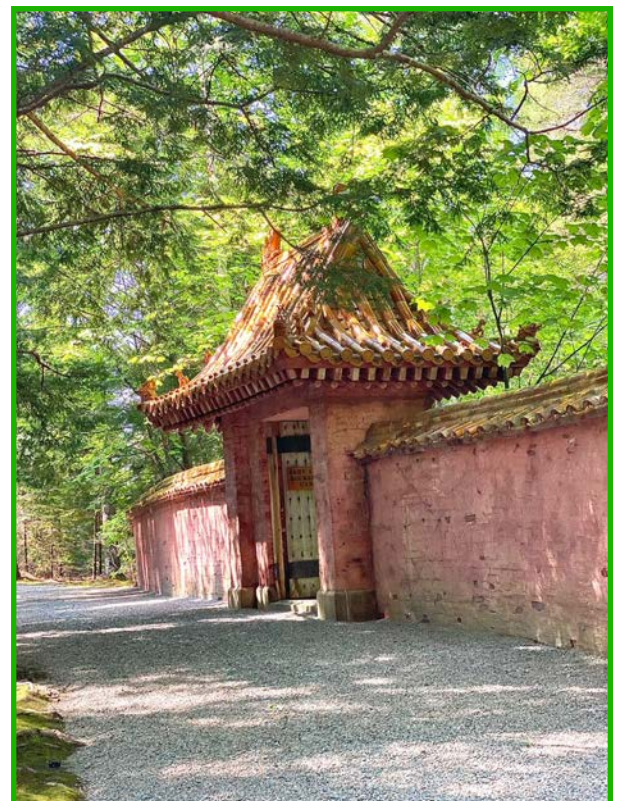

Enjoy!

Joanie writes: “ Beatrix Farrand designed the garden for John D. Rockefeller, Jr. and his wife, Abby, between 1926-1930. Carved out of the Maine woods, it is unique in that it combines Eastern statuary with an English style border garden theme. Strong axial relationships are noted!
